About us

At "The Lawway with Lawyers," we are dedicated to nurturing future legal professionals through a range of enriching opportunities. Our organization offers internships, allowing students to gain hands-on experience and insight into the legal field. Additionally, we publish the "Lawway with Lawyers Journal," where budding legal minds can contribute articles and enhance their research and writing skills. Our webinars cover a wide array of topics, providing a platform for knowledge sharing and professional development.

We also offer legal advice to those in need, ensuring access to justice and legal support. Engaging activities such as quiz competitions foster a spirit of learning and competition among participants. Our editorial board boasts members from prestigious colleges across India, bringing a wealth of expertise and credibility to our initiatives. Through these diverse programs, we aim to build a robust community of well-informed and skilled legal practitioners.

Vision

Our vision at "The Lawway with Lawyers" is to cultivate a dynamic and inclusive platform that empowers the next generation of legal professionals. We strive to provide unparalleled opportunities for education, practical experience, and professional growth through internships, publications, webinars, and competitions. By fostering a collaborative and intellectually stimulating environment, we aim to bridge the gap between theoretical knowledge and practical application, ensuring our members are well-prepared to excel in the legal field. We are committed to promoting justice, integrity, and excellence, and envision a future where our initiatives significantly contribute to the development of competent, ethical, and socially responsible lawyers across India and beyond.

Mission

At "The Lawway with Lawyers," our mission is to provide comprehensive support and resources to aspiring legal professionals. We aim to:

- 1. Facilitate Learning and Development:** Offer internships, webinars, and quiz competitions that bridge the gap between academic knowledge and practical legal skills.
- 2. Promote Legal Research and Publication:** Encourage scholarly contributions to the "Lawway with Lawyers Journal," fostering a culture of research and intellectual growth.
- 3. Provide Accessible Legal Advice:** Deliver reliable legal guidance to individuals in need, ensuring access to justice and upholding the rule of law.
- 4. Foster a Collaborative Community:** Build a network of students, educators, and professionals from reputed colleges across India to share knowledge, experiences, and opportunities.
- 5. Champion Excellence and Integrity:** Uphold the highest standards of professionalism, ethics, and excellence in all our endeavors.

Through these efforts, we are dedicated to shaping a future where legal professionals are well-equipped, informed, and motivated to make a positive impact on society.

Our Services

At "The Lawway with Lawyers," we offer a comprehensive suite of services designed to support and enrich the experiences of aspiring legal professionals:

1. Internship Programs: Providing hands-on legal experience through structured internships that offer practical insights into various legal practices and professions.

2. Publications: Publishing the "Lawway with Lawyers Journal," a platform for students and professionals to share their research, articles, and case studies, contributing to legal scholarship and discourse.

3. Webinars: Hosting educational webinars featuring esteemed legal professionals and academics, covering a wide range of contemporary legal topics and emerging issues.

4. Legal Advice: Offering accessible and reliable legal advice to individuals and communities, ensuring that everyone has the support they need to navigate legal challenges.

5. Quiz Competitions: Organizing engaging quiz competitions that test and enhance participants' legal knowledge, encouraging a spirit of learning and friendly competition.

6. Workshops and Training Sessions: Conducting workshops and training sessions focused on skill development, such as legal writing, moot court practices, and career guidance.

7. Networking Opportunities: Facilitating networking events and forums where students, educators, and legal professionals can connect, collaborate, and share opportunities.

8. Mentorship Programs: Providing mentorship from experienced legal practitioners and academicians to guide and support students in their academic and professional journeys.

Through these services, "The Lawway with Lawyers" is committed to fostering a vibrant, informed, and empowered legal community.

Our Achievement

In our first year at "The Lawway with Lawyers," we are proud to highlight the following achievements:

- 1. Publication of Books:** We have successfully published more than 13+ books with ISBNs, covering diverse legal topics and contributing to legal scholarship.
- 2. Journal Articles:** Our platform has featured over 200+ articles on our journal website, showcasing insightful research and analysis by students and professionals alike.
- 3. Webinars:** We have organized and conducted 9 webinars on various law topics, providing valuable learning opportunities and engaging discussions for our audience.
- 4. Internship Opportunities:** We have offered internships to over 2000 law students, allowing them to gain practical experience and insights into the legal profession.
- 5. Quiz Competitions:** Hosting 17 quiz competitions that have tested and enhanced participants' legal knowledge while fostering a spirit of healthy competition.
- 6. PowerPoint Making Competition:** Successfully organizing a PowerPoint making competition, encouraging creativity and effective presentation skills among participants.
- 7. Article Writing Competitions:** Organizing 8 article writing competitions, promoting research, writing skills, and academic excellence among aspiring legal professionals.
- 8. College Collaborations:** Establishing partnerships and collaborations with 7 different colleges, enriching our programs and expanding our reach within the academic community.

These achievements reflect our commitment to promoting learning, research, and professional development within the legal community, and we look forward to continuing our mission in the years ahead.

I'm thrilled to share that I have completed my one-month Internship in Lawway Lawyer. It was an excellent experience where I learned a lot. There were several interesting tasks, including writing a case commentary, composing an article on contemporary issues, drafting a legal notice, and framing issues based on a given moot court proposition. Overall, it was a superb internship, and the coordinators and organizers were very supportive. I hope this experience will prove beneficial in my professional life.

Greetings connections!

I'm delighted to share that my Research Paper titled, "Law Of Agency" has been published in the esteemed Journal [The Lawway With Lawyers Journal](#) with the International Standard Book number ISBN:- 978-93-340-3152-2.

This Journal is also available in Amazon Kindle, and will be available on the other sites too.

I would also thank [Abhishek Ray](#), the founder and ceo of [The Lawway With Lawyers](#) for giving me the opportunity to present the research paper and finally approving it for the journal.

Preparing Research Papers are always hectic and time consuming but it is always worth it as in the end of the day we always learn and realize many new things through it. Looking forward to publish more of the research papers in the near future.

Very interesting internship, learned many new things and also got my first article published through this internship....the person taking Google meet was very helpful and also teaches very well... The only thing I wanted was little variation in the task, doing same thing narrowed the interest.... Overall it is very nice internship. Thank you.
